Child Caregiver Resource Form

Department of Family and Protective Services

Form 2625 May 2009

Case Name: Renesha Allen

Case ID: <u>32961531</u>

Please fill out this form to give us names and locating information for relatives or close family friends who may want to take care of your children or support them until you get them back. Try to list the people you know your child would feel happiest with. Child Protective Services (CPS) will make contact with them and ask them how they want to help. We will decide if it is safe for your child to be with them. We will also decide if they can safely be with and support your child. CPS will tell them about your case. If we think they can provide a safe place for your child, CPS will do a background and criminal history check. We will do this check within 2 business days of getting this completed form back. If the check is OK, we will assess them and their home. Most of the time, children are not placed until CPS knows how the assessment turns out. The final decision about placing your children will be made by the judge for your child(ren)'s case. If the person tells us they do not want the children placed with them but instead wants to provide support and have unsupervised visits, CPS will have to do a background and criminal history check first.

On this page, you must provide the names of the first three persons you think may be able to care for your child. On the following pages you can list their names and locating information in the boxes provided. The first three persons can be adult relatives (including grandparents) and/or close family friends.

On the following pages, you must also list the names and locating information for ALL THE GRANDPARENTS for each of the children removed. This includes the grandmothers and grandfathers for each child. (The mother's parents and the father's parents). Please list other adult relatives besides the grandparents. You can send this form to CPS:

Please list other adult relatives besides the grandparent	s. You can send this form to CP	S:
